

Accessories

Quick Release Fin Spring Straps

Black

Stainless steel Quick Release Spring Strap, rubber coated Springs act as a cushion between the spring and divers heel, also provided is a grip pull to aid in donning and doffing of the fin even with gloves.

Quick Release Fin Rubber Straps

Black

Adjustable rubber straps with quick release buckles. Come standard with all Omega Aquatics Amphibian® Fins.

Comfort Custom Fit Inserts

Black

Custom padded inserts for Large and X-Large Fins. Inserts can be used for tropical diving with a neoprene sock and also to adjust the sizing from Large to Medium or X-Large to Large.

Omega Aquatics Fin Bag

This special bag was designed for carrying all models of our Amphibian® fins. It features 100% nylon with mesh details (drain hole and side mesh), durable, adjustable one-shoulder strap and carrying handle. Has front pocket to fit mask, snorkel and the rest of accessories. It is available in black.

Traction Cleats for Flipfins™

Ultra light, compact and easy to put on and take off Traction Cleats - fit perfectly over any model of Flipfins™. A heel strap with two tungsten carbide spikes gives better grip and durability and heel to toe safety. A must have accessory for dry suit diving that requires walking on ice or other slippery surfaces.
